

#Activity proposal 1

"Meet my soft toy"

At home

- Each family takes a photo of the child's favorite soft toy
- Each family records a video with the child telling something about their soft toy:
- Sharing materials

At school

- Teachers make QRcodes for each video using e.g. QRCode generator
- Creation of an exhibition with all the soft toys, using boxes as pedestal
- We paste the QRcodes and "welcome" the public
